STATINTL MEMORANDUM FOR: [REDACTED]  
FROM : John F. Blake  
Deputy Director for Administration  
STATINTL SUBJECT : [REDACTED]

STATINTL 1. I return to you the two statements of personal qualification [REDACTED] The Director of Personnel would have no difficulty in approving a GS-17 rating [REDACTED]

STATINTL 2. The Office of Security possesses no clearance information [REDACTED] so I cannot predict at this time the period it would take to run the normal field investigation on him.

3. There is one other consideration of which you should be aware. It is my understanding the Intelligence Community Staff has imposed a moratorium on any hiring until such time as they resolve the difference of opinion over their authorized size with the House Appropriations Committee. I would suggest that Admiral Turner may wish to consult [REDACTED] on this particular point.
